

Corabella J Garrey

231-709-5902 | corabellgarrey@icloud.com

227 South Park Ridge Road, North Liberty, IA, 52317

Education

The University of Iowa, Iowa City, IA

May 16, 2026

Major: B.A. Screenwriting; Minor: Theatre Arts

GPA: 3.89/4.0 Dean's List 4 semesters

Study Abroad: Paris on Film

May 29 – June 16, 2025

- Optimized to new surroundings of French culture and history while analyzing the influence the city had on film. Observed assigned neighborhood (10th arrondissement) to reflect my perspective by taking edited pictures and writing poetic stories.

Work Experience

Equipment Checkout- Cage

August 2023 – May 2026

Office Support Assistance to Cinematic Arts, School of Journalism, and Communications Studies

- Familiarized use of cameras and other film equipment to demonstrate to students on how to use them and assist in any troubles that they come across. Instructed students and faculty to receive and bring back equipment for either pick-ups or returns after their class/personal projects.
- Interacted with students through phone calls, emails, and conversations towards their assets.

Mxdwn Television

August 2026 – Present

Television News Writer

- Covered wide variety of Television series and published them on five designated publishing days during the week by using WordPress.
- Reported to Television News Editor, Television Department Head, and the Editor-in-Chief to enhance my writing voice in addition to having a platform to expand exposure of my writing through the fanbase.

Class Experience

Advanced Screenwriting I/II

August 2025 – May 2026

- Evaluated other people's screenplays to focus on their intended narrative story and engage in forming creative, structural ideas to original dialogue and compelling visuals.
- Won "Mum's the Word" challenge by writing my script without any words to visualize the worldbuilding and "Argument" challenge by writing the conflict between characters to grow meaningful tension.

Stand-Up Comedy

August 2024 – December 2024

- Performed on different weeks in front of audiences, reading the audience's reactions and demonstrating flexibility on structure of the set for later improvement.

- Forged storytelling on life experience to display acting process and improvement of performance.

Poetry Writing

August 2024 – December 2024

- Wrote poems and short stories to practice on their descriptions and deliverances. Presented a Final Project in class to evaluate symbolic meanings towards their visual artistic use and reflect on my environment and the people around me.

Global Career Accelerator

May 18, 2026 – August 8 2026

- Designed a branded landing page for non-profit *charity: water*, incorporating target audience insights, visual storytelling, and persuasive copy to drive awareness and donations to a global cause.
- Developed a fully branded game concept and mock-up for a non-profit using AI coding assistance, HTML, and CSS. (<https://droplet-dash--cgarrey.replit.app>)
- Designed engaging data visualizations inspired by Intel's Corporate Responsibility Report, translating sustainability insights into clear, compelling narratives.
- Used SEMrush and Google Trends to research SEO keywords for a CeraVe customer persona. Wrote three SEO keyword-rich blog posts that align with CeraVe's brand voice and speak directly to target audience's needs.
- Developed a targeted social media ad campaign for the Grammy's, chose appropriate channels and ad types. Created a campaign analytics report by analyzing cost-efficiency metrics to evaluate campaign performance.

College Activities

Student Video Production

September 2024 – December 2025

- Supervised crew to keep track on the given script, time management, and equipment use for filming a short film called "Soma." Collaborated ideas on what camera movements and shots to film behind the camera.
- Improved development skills towards camera, light, and sound equipment.

Cinematic Arts Student Organization

September 2023 – May 2024

- Promoted the organization's involvement on social media to build creativity and participated in cinematic-based activities on campus to grow our understanding of the film industry.
- Generated submission post called Cornwall Script Contest for students to submit their own scripts.
